Portfolio: completed screenplays, short-form scripts, series outlines, and published narrative work available upon request

PROFESSIONAL SUMMARY

Screenwriter, serialized-fiction writer, and story editor with more than 15 years of professional writing experience. Skilled in bingeable short-drama structure, spoken dialogue, emotional pacing, hooks, cliffhangers, twists, and episode-to-episode continuity. Produces up to 10 serialized-fiction chapters weekly and has completed multiple feature screenplays. Brings direct experience scripting 9:16 AI-assisted narrative shorts, translating briefs and story beats into clear scenes and shot direction, maintaining continuity guides, and turning notes into fast, focused revisions.

CORE STRENGTHS

Vertical short drama • Multi-episode arcs • Setup, conflict, twist, payoff • Hooks and cliffhangers • Spoken dialogue • Character relationships • Series bibles and continuity • Scene and shot direction • Brief-to-script adaptation • AI production writing • Fast remote revisions

RELEVANT EXPERIENCE

Freelance Serialized-Fiction Writer & Author | *Above Story Limited, Remote* | Mar 2023 - Present

- Write up to 10 fiction chapters per week, each 1,200-1,500 words, while maintaining pace, voice, character relationships, and continuity across serialized projects.
- Structure scenes around setup, conflict, reveals, and payoff, using concise dialogue and chapter-ending hooks that pull the audience into the next installment.
- Meet rapid production deadlines and incorporate editorial notes through fast, targeted rewrites, continuity passes, and line-level polish.

Creator & Scriptwriter | *Ozzy's Little Questions* | *AI-Assisted Vertical Shorts* | 2026

- Created a 9:16 narrative concept and scripted 50-60-second animated episodes using spoken dialogue, emotional beats, and clear visual action.
- Developed scene-by-scene visual direction and a character/style continuity guide covering voice, appearance, tone, and episode consistency during AI video production.
- Reviewed generated output and revised scripts and production prompts when pacing, repetition, visual continuity, or character behavior missed the story's intent.

Independent Screenwriter & Story Developer | 2010 - Present

- Write character-driven features from concept and beat sheet through scene outline, spoken dialogue, visual action, revision, and final polish.
- Completed screenplays include WGA East-registered *The Perfect Candidate* and *The Cookie Table*, plus *The Other Creation* and FilmWay semifinalist *Beneath the Altar*.
- Translate notes and production feedback into focused rewrites that strengthen openings, scene turns, character motivation, pacing, continuity, and emotional payoff.

Host, Writer & Producer | *UPRN Radio* | Jul 2019 - Present

- Research, script, and produce weekly programming for broadcast, podcast, YouTube, and social audiences; plan openings, story and interview beats, transitions, and promotional hooks.
- Coordinate guests and production details remotely, adapt quickly during live programs, and deliver audience-ready material on deadline.
